Pete and Ramon,

It appears that there was never a PR to SERAS for Fruitland. Can someone assist with having a PR for \$40k processed to SERAS for the Fruitland Magnesium Fire?

Thanks,

Michelle

I think with Barbara Lee's help, we can get it done. Sorry meant to say that in my message. Can I get back to you with the details by the end of the week?

Thank You,

Hi Joann – I did some research, and from what I could tell an PR was not done for SERAS contract. I did not hear from Rob Wise, but we did check the system and nothing came up.

Thank You,

Has a PR to put funds into the SERAS contract for the Fruitland Magnesium Fire response been submitted?
